Memorandum No. 1685/F.D.VI/48-5 dated 5th March 1949.

Sub:- Intensive Khadi Scheme - Training - Training of candidates in various courses - Form of bond to be executed by the trainees - Prescribed.

The Government have been paying stipends to the candidates selected to undergo training in the spinning, weaving, etc during the period of their training in the Vidyalayas run by the various branches of the All India Spinners' Association and the candidates so trained are required to serve the Government or the All India Spinners' Association for not less than three years after the completion of the training, if called upon to do so. Instances have come to the notice of the Government in which candidates selected to undergo training failed to abide by the rules and regulations laid down by the All India Spinners' Association and left the Vidyalaya before the completion of the course and a candidate employed in a Government Khadi Centre after the completion of his training stopped away from duty without permission. The Government consider that in such cases the candidates should be required to execute bonds so that the stipends received by them may be recovered as arrears of land revenue under the Madras Act II of 1864. A form in which the bond may be obtained is attached. The H.R.K.Os. are requested to see that the trainees now undergoing training or who may be admitted for training in future execute the bonds correctly and completely and submit the bonds to the Government for record and enforcement if and when necessary.
